

Appeals procedure against internal assessment decisions

The Academy is committed to ensuring that internal assessments are marked and administered fairly, consistently and in accordance with the awarding body specifications and subject-specific associated documents.

This is ensured by:

- Subject staff having the necessary and appropriate knowledge, understanding, skills, and training in this activity
- Subject staff authenticating candidates work according to the requirements of the relevant awarding body
- A process of internal moderation and standardisation led by nominated staff

An appeal against internal assessment decisions can be made, based on the above not being fulfilled.

All appeals must follow the process below.

1. Appeals should be made as early as possible and at least three weeks before the submission of marks to the awarding body.
2. Appeals should be made using the internal appeals form completed by the candidate.
3. The head of centre will appoint a member of the senior leadership team, who has no involvement in the assessment process for that subject to conduct the investigation.
4. The purpose of the appeal will be to decide whether the process used for the internal assessment conformed to the published requirements as detailed in the awarding body specification(s) and/or subject-specific associated documents.
5. The appellant will be informed in writing of the outcome of the appeal, including any relevant correspondence with the awarding body and any changes made to internal assessment procedures.
6. The outcome of the appeal will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the appeal bring any significant irregularity in procedures to light, the awarding body will be informed.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation may lead to mark changes. This process is outside the control of The Academy and is not covered by this procedure.

Appeal against an internal assessment decision

Appellant declaration

By signing here, I am confirming I understand the purpose of the appeal will be to decide whether the process used for the internal assessment conformed to the published requirements of the awarding body's specification and subject-specific associated documents. I also understand the appeal may only be made against the marking/assessment process not against the mark submitted by the centre for moderation by the awarding body.
