Statement on the Use of Prescribed and over the Counter Medicines

The administration of medicines to young people is a parental responsibility. Only in exceptional circumstances where students under 16 years of age have no alternative, should medication e.g. antibiotics, be brought onto school premises. Under those circumstances, only medication which has been prescribed by a Doctor and needs to be taken more than three times a day may be self-administered in an appropriate place. This can also be done by the School's First Aiders by arrangement.

The procedure outlined should be followed:

A 'Request to Store Medication' form, which can be obtained from the First Aiders in the Pastoral Office, must be completed by the Parent/Carer and returned to the School's First Aiders.

Medicine should be in the original container with the following information on the label:

Name of medicine

Child's name

Dosage

Dosage frequency

Date of dispensing

Storage requirements, if important

Expiry date

A record of administration will be kept

Parents/Carers are responsible for the collection and disposal of unused/expired medication.

Inhalers and Epi-pens

In the case of inhalers and epi-pens, students must take responsibility for their own medication encouraging a respect for medicines.

Spare inhalers and epi-pens can be stored in the Medical Room locker for emergency use.

Please ensure that you contact the School's First Aiders for a consent form which will need to be completed by Parent/Carer.

Non-prescribed medicines

The School's First Aiders/other staff cannot administer non-prescribed/over the counter medicines.

Storage

Medicines will be stored and locked in an appropriate place (this may include a refrigerator).

Out of School Activities

Students must take responsibility for their own medication but a member of staff must be aware of the reasons for use and the details of administration.

Health Care Plans

Health Care Plans will be drawn up for students with medical conditions/needs. Parents/Carers will be contacted by the relevant Head of House to arrange a meeting to discuss this in detail.

Immunisations

At the start of each academic year, the relevant member of staff liaises with the local Immunisation Team to arrange the necessary student vaccinations. These are held at school; the dates are not announced in advance. Before the vaccinations take place, you will receive information via a letter home which includes a consent form to read and sign. If you require any other information or have any questions in relation to immunisations, please contact us using the following email address:

contactus@lightcliffeacademy.co.uk

Lightcliffe Academy School Uniform

All students in Year 7 to 11 are required to wear the approved school uniform. We expect high standards of work and behaviour from our students, and believe that these are helped by high standards of dress and appearance.

All items of school uniform are worn conventionally and we expect all Parents/Carers to support our simple and practical requirements.

We operate checks each morning to ensure students uphold our high standards with regard to the dress code and to check on essential items for a successful day. This includes checking that students have the correct uniform and that it is worn professionally.

Please see the [Uniform Information Booklet](#) located on the Academy website for examples of appropriate uniform.

If your child is eligible for Free School Meals, the school will credit their account with £2.60 every day to purchase a meal of their choice. [ParentPay](#) and [ParentPay Shop](#) is the secure online system used to pay for lunches, trips & visits and other items such as replacement ties, revisions guides etc.

The system allows you to create a single account login across all your children who attend a ParentPay school. It gives you a history of all the payments you have made and shows you all items available for payment relevant to each of your children. You are able to view food/drink items that your child has purchased through your online account.

All new starters will receive a letter with details of how to register with [ParentPay](#) before they start at Lightcliffe Academy.

Until you are registered, you will need to send your child with packed lunches.

Please note that we are a cashless school, this means we do not keep money at Lightcliffe Academy.
